OUR STORY...

Charlie's Pizza comes from years of appreciating both family recipes and the best New York City pizza parlors. The pizza dough is made fresh daily by blending unbleached wheat with virgin olive oil and selected spices. Red sauces are made with Italian pear tomatoes, natural herbs and spices, blended in the family tradition. We only use "Polly-O Cheeses," an East Coast tradition. At Charlie's, we shop for our produce at the local Farmers' Markets from Torrance to Santa Monica to Hollywood. We make every effort to buy from local farmers at these local markets. Hand picked and most of it organically grown but not necessarily certified to assure our customers of the highest quality and freshness.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness. This facility uses peanut oil.
